**FROM THE DESK OF FR. SAFFRON:**

Recently, probably due to all the digging up in the neighborhood, our parish buildings have received unwanted guests! Mice and bugs have been seen in the rectory and hall. This past week, we had the exterminator come in and do various prevention methods to rid us of these pests.

MARK YOUR CALENDARS!

## Life Line

The assisted suicide campaign is not based on autonomy. It is based on a view that some human lives have less value, are less worth protecting, than others. By legalizing assisted suicide for one selected class of vulnerable citizens, society makes its own judgment that some people's suicidal wishes are inherently reasonable and justifiable --because they have the kind of lives that society sees no reason to defend.
