Our parish goal for the **2015 Annual Catholic Appeal** is \$23,540. This goal is based on the most current financials of our parish that were submitted to the Diocese. Knowing the goodness of our parishioners, when they see the need, they will respond. Again this year, the Bishop has agreed to gift back all monies collected over goal to the parish. So far **70** parishioners have donated **\$15,071**. Please make every effort to help Saint Josaphat's reach our goal again this year.

The **Parish Right to Life Committee** has placed around the Church a very informative booklet NOW AND AT THE HOUR OF OUR DEATH.

It's a Catholic guide to End-of-Life Decision-Making, which unfortunately most of us will have to make for either a loved one or for ourselves.

Feel free to take home a copy to read and share with a family member or friend. If none are left, please let us know by dropping a note in the Suggestion Box in the back of the Church.

Eleventh: Sunday in Ordinary Time
Reflecting on God's Word

I watch most of the children in my three brothers' families growing into what is called "emerging adulthood." It must be very difficult at times for parents, only being able to watch, hope, and pray as their children start to move away from home and begin to make their own way into the world. Will they be safe, make the right choices, be happy?

Making use of images from nature, scripture reminds us that God gives the growth, whether it is to mighty cedars springing from small shoots, ripened grain sprouting from the blade, or a fully grown mustard plant emerging from the tiniest of seeds to offer its large branches as housing for the birds.

Such poetic language calls us to reflect on the mystery of the kingdom of God, whose seeds were found in the various covenants extended to Noah, Abraham, Moses, and David, and then fully enfleshed in Jesus so many millennia ago. This kingdom continues to sprout in our day, often where least expected.

Sometimes it breaks through like a mighty cedar, but more often it is a quieter blossoming, suddenly emerging like stalks of grain, or the first signs of life carried in a mother's body. I am sure God has worried for all the children of every age who have filled the earth. The kingdom of life won by Christ continues to have the power to carry all God's sons and daughters into the loving arms of the God Jesus taught us to call Father.

The **Right to Life Committee** is asking that all baby bottles be returned even if it is only half full or empty. Only 80 of the 150 baby bottles that were taken this year have been returned. We really don't want Bridge to Life to use any of the money we collected for them to be used to purchase new bottles when those less fortunate than us need so much help. We thank all for their effort. There is a basket in the back of the Church in which you may leave them.
